Dear Bounce House Laser Tag Guests:

Many of you are looking forward to bouncing and playing with us again and we are excited to welcome you back! Because the health and safety of our guests and team members is our number one priority, we are taking extra precautions to ensure safe and clean fun for everyone.

For our guests:

- We will be monitoring capacity as needed
- Touchless sanitizing stations available throughout the facility
- New hand-washing station at the front of the building
- New contactless waivers (at home on our [website](#) or in-store QR code with your device)
- New contactless payment methods ([online e-ticket](#) or in-store Apple and Google Pay)
- Table spacing optimized for social distancing
- Utensils and condiments available upon request from the concession stand
- Party rooms will be cleaned and sanitized after each party
- Please help your children maintain proper distance
- We encourage our adult guests to wear face masks

For our team:

- Employees will be checked for good health before each shift
- All direct customer-facing employees will wear masks
- Floor employees will practice distancing, but may not wear masks in order to do their job safely and effectively
- Employees will wash or sanitize their hands frequently throughout the day
- Employees will sanitize frequently touched surfaces and inflatables throughout the day

For Laser Tag and Arcade:

- Guests are encouraged to maintain distance during mission briefings and games
- Masks are encouraged in the lobby and during briefings, but not required in the arena
- Employees will sanitize guns and headsets after each use
- Employees will sanitize frequently touched surfaces and games throughout the day
